OAKVILLE SENIOR HIGH SCHOO

OUR FIRST YEAR

The first class attending Oakville Senior High School, the tiger-filled spirit of '71, extends its deep appreciation to all those who have preserved our education of quality by gifting us with our new school. The list includes our Board of Education, the Superintendent, the Central Office Administrators, our Principals, our teachers, our parents, all taxpayers, custodial, maintenance, other services, and Swan Construction Company. The list goes on and on.

We all realize how desperately more schools and more teachers are needed to combat the overcrowding in our public schools today. Oakville Senior High will continue to grow and expand as a center of knowledge and varied learning experiences.

Oakville Senior High is the taxpayers' gift to us; what we students and our teachers do with it now is OUR gift to the taxpayers! The yearbook staff, as representatives of this '71 class, thank all our patrons by dedicating our first yearbook to them.

Dear Class of '71,

This first yearbook staff simply tried to tell what has happened during the year you attended Oakville Senior High School.

Realizing that this is the first yearbook at Oakville Senior High School and with limited experience on our yearbook staff, we accomplished much with hard work and high enthusiasm. As editor, I hope as one thumbs through this tiger-filled yearbook, he will recall the many memorable experiences of this tradition-setting year.

As the years quickly pass, we all shall remember the privilege of being the first Class to attend Oakville Senior High School. The Tiger spirit of '71 will not soon be forgotten! Hopefully, all will enjoy our labored, creative achievement.

Our deepest appreciation must be extended to the patient Mr. Harry Swain of the American Yearbook Company and to Mrs. Donna Marie Lajcak, our yearbook sponsor.

Respectfully yours,

Summer Dean

BELOW-Guard Duty Instructions from Mrs. Lajcak: "Max, If their work isn't done, you do what I had told you!"

Staff Meetings in the Summer, 1970.

"Phenomenal" was the word used by the yearbook company representatives when we had ordered 775 yearbooks. We had the highest percentage of sales of any school in this area. "Sensational" was the word used by Mrs. Lajcak, our adviser, to describe the staff's success, hard work, dedication and attitude. "Fantastic" describes the first yearbook-sponsored dance on February 12. "Inspirational" characterizes our spring "School Improvement Project." Thus, this FIRST staff leaps forward into setting the productive pace for future staffs to follow.

LOOKOO

Wear these to class?

Is the "bad row" at it again today?

How many times must I say it--don't blow the purple horn!!

Is that OUR Gym teacher?!

Oh, no! I thought SHE was the teacher leaving this semester!!

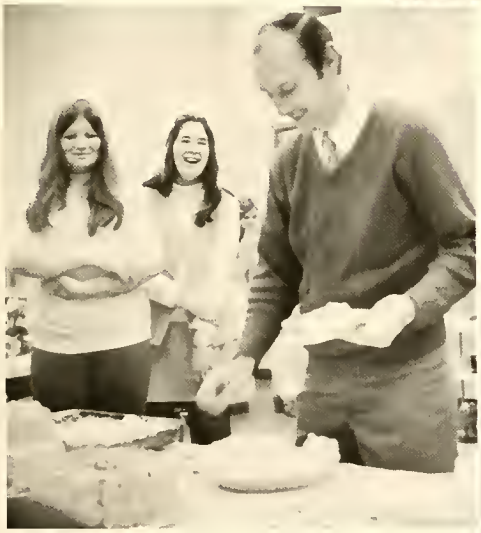
Geraldine says: "What you see is what you get! STOP looking at my legs, boy!!!

Honestly, I'm not really daydreaming about Romeo!

Let's see; one soda for you and one for me. . .

You see my real name is Clark Kent. Have you seen any phone booths around here?

Golly, B.D.'s flying again!



Oh, goody! My favorite---Arsenic pie!!

You're kidding! We're really on Candid Camera?!

My shoes are killing me!!

Mrs. Dean, I'll do anything you say!!

If that teacher eats another cookie. . .

So, you don't have your assignment done!
